CHRB has requested that all trainers update work lists across the street with Licensing. If you do not have a worklist, you still must sign a form stating that fact. All lists must be updated by February 16 prior to racing.

Although we make every effort possible to accommodate requests regarding race days, the amount of requests has become overwhelming. Our priority is to place races in an effort to maximize revenue for our purse account. Please do not be offended if we are unable to accommodate such requests in the future.

For safety, all golf carts must have a working front headlight and a working taillight. Cal Expo Police will cite anyone not in compliance.

Cell phone use is prohibited in the paddock area.

If you need Lasix, contact Cathy Jones call or text her at 916-813-3356

There will be no parking of vehicles between the barns. All vehicles must be parked on the side roads per the Fire Marshal. Offenders will be cited.

Smoking is prohibited in the paddock as well as at the Entrance to and exit from the paddock. Violaters may be fined.
